RESPONSE

Assistant Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In respect of the Office Action mailed 07 January, 2004, kindly find attached a "TERMINAL DISCLAIMER TO OBVIATE A DOUBLE PATENTING REJECTION OVER A PRIOR PATENT."

REMARKS

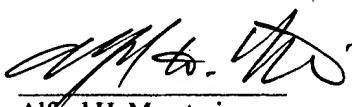

Currently, claims 13-47 are pending.

Currently Claims 13-47 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over Claims 1-53 of U.S. Patent No. 5,997,956. The examiner has noted that the submission of the attached terminal disclaimer would result in the application being passed to Issue. The same is hereby requested.

It is unclear to applicant's representative if a fee is required for submission of this terminal disclaimer. If such a fee is due, the Commissioner is hereby authorized to charge deposit account 501231 any additional fees due, or to credit any overpayment to this account.

Respectfully Submitted,

April 1, 2004
